As will be noted the first parties of the As will be noted the first parties of the programme bears upon the funds element of living's work and those taking part were dressed in qualit Dutch cosmuses with round petiticeats, straight bedies, and picturesque cape. These Helland matters tooked very quaint and they carried out their parts admirably. The English maidens to whom the task of security han maidens to whom the task of securing nicturesque costumes seemed anere difficult, were no less successful while the Spanish maidens were as gay as Spanish senarias have the right to be.

The cougs too, had been arranged in periods, the old words and familiar music making a reat setting for the literary former. The duet of plane and mandaling are

making a rest setting for the literary for tures. The duct of plane and mandolin ren-dered by the Misses Cardwell was especial-

dered by the Misses Cardwell was especially attractive and Miss Etta Davia accompanied with her usual strate.

After the completion of the programmethe social features were enhanced by dainty refreshments of creams, sherberts and cake served by the costumed mallens, during and after which nauch social chat was enjoyed by the guests and congretulations showered upon Miss Watson and the class for their success as malesses. was enjoyed by the guests and congret lations showered upon Miss Watson a the class for their success as hostesses.

The town has been duite empty of Hous-ton girls the past week, small parties hav-ing gone to the resorts beside the sea. The first few warm days seem to have infused a strong desire for salt air and the accom-panying sunburn among the young people, who mean to enjoy a little outing in con-fort before the June sun grows unmerciful.

Jones, the Misses Lubbock, Misses Taylor Miss Ella Smith and Messra, Ware, Dor-rance, Watkins, Curth and Dr. Ferguson

The house party which Mrs. Edward Peden chaperened at Seabrook returned the first of the week full of cuthusiasm over the days of fun.

The Sylvan hotel at La Porte formally opens on Friday next and two coaches of Houston society people are to go down to make the event a gay one. Invitations are out bearing the names of Messrs. Spencer Hutchins, W. H. Curth, C. G. Gribble and A. O. Blackwell as invitation committee. The party will go down at 5 or 7:30 p. m., returning the same evening at 11. Dancing, boating and such froits is in store and an exceptionably good time is anticipated. The chaperones for the affair have not been selected as yet, but undoubtedly the party will prove very attractive and all the accommodations provided will be utilized.

Much interest is being manifested in the annual commencement exercises of the Houston High school, which will occur on Wednesday morning, June 2, at 9 o'clock at the High school building. The usual form of exercises, including valedictory and salutatory, have been omitted and instead songs, the class history, class poem class prophecy and epilegue will be preceded by a play, "The Princess."

Invitations to this part of the exercises have been issued by the class and will be required at the door to secure admission to the building on the morning they are rea-At 8 p. m. on Thursday the exercises will

At 8 p. m. on Thursday the exercises will be completed at the opera bouse, and the programme will include an address by Professor George T. Winston, president of the University of Twas an oration on "Leadership" by Mr. Thomas Fletcher, class scator, and the presentation of diplomas by Hon. H. Baldsin Rice.

The class is unusually large and among its members are several whose work has proved them unusually brilliant sudems and on this account expectally much interest bas been aroused among the friends of the school.

of the school.

Next in this property is not been taken for the anomal dop to be given by the funfor class compilmentary to the school class at Turner Hall on Friday econing most. The invitations bearing the names of the junior class as invitation committee read: Miss ctiowen, serietary, Mr. Charles Otto usenfer: Misses Elizabeth Dwyer, St buonds, Bertha Thomseling, Airille I. Edmonds, Bertha Three-ling, Annie Die-sen, Lewella Friedenbaus, Bearrice Mesco-sitz, Ina Currie Lodis Eddon, Nellie-Mather, Edith Munger, Eva Robb, Ruida Stellie, Bessie Stallings, Etta Grimes, Nat-the Lockhart, Laura, Franklin, Marion, Walker, Mubel Sweet, Mary Waterman, Frances Hozan, Mabel Sodden, Louise smith and Mesers, Sam Swinford, Lee Sam, Salvestir Riotdan, Frederick Clemena and Henry Ward. lightful mornius with Mrs. Miller hast Theaday, when the social features were especially notable. The club meets next yield with Mrs. F. H. Fichardson, 2609 biain street.

The election of officers of the Shakespeare club was held on Thursday, result ng in the re-election of the present on upunts: President, Mass tlarg Redwood. vice president, Mrs. Still Hull; secretary, Miss Ida Warner. A new slace of meeting was agreed upon, Christ church parish house, and the play to be studied first next year, "Hamlet." Only one meeting more is to take place this session. This will be head on June to on Mrs. E. Raphael's laws, at 4.3% octock.

The last meeting for the season of the

phael's laws, at 4.27 octock.

The last meeting for the season of the Lastes' Reading club will be held on Tuesday tiext. The members of the committee on programme have been working earnicity and the plans for next year's study of great cities are nearly perfected.

At the meeting of the Woman's Reading club on Wednesday has the recently elected president, Mrs. Kondati, presided. The committee on constitution and py-laws made their report and several changes in the constitution of the club were effected

Plans for the next year's study were discussed, but the course was not sourcely completed.

The city was full of college siris Friday evening and yesterday. Such a bovy of pretty maldens is enough to turn the heads of all the young men is Houston and the three or four chaperones for thirty seven girls were kept exceedingly busy. Many of the girls had old school friends and relatives in the city and in this way were entertained in private homes.

At the three performances given at the Auditorium for the benefit of Faith Home they made as pretty an appearance as had been hoped by their warmest admirers. Such an array of fresh young girls was enough to draw out the large suddences besides the many other attractions. The plans and violin playing was very fine, Mr. Schmidt winning such enthusiasm as is not often showered upon one performer. All society was out both nights and the big Auditorium presented a say appearance.

a strong desire for sait air and the accompanying sunburn among the young people.
